

## IP Language Options in Subcontracts:

### Maintaining full control:

Committee acknowledges and agrees that any tangible or intangible property, including intellectual property, such as trademarks and copyrights, obtained or created in connection with the Project will be the property of Trailhead, unless otherwise agreed by the parties.

### Open Source:

Committee acknowledges and agrees that any tangible or intangible property, including intellectual property, such as trademarks and copyrights, obtained or created in connection with the Project after the signing of this agreement will, in the interest of open source, be the shared property of Trailhead and the Committee, unless otherwise agreed upon by the parties on a case by case basis.

### Partner, Project, or Contractor/Committee has full control:

Committee acknowledges and agrees that any tangible or intangible property, including intellectual property, such as trademarks and copyrights, obtained or created in connection with the Project will be original and not infringe upon copyrights or other rights. Additionally, Committee acknowledges that all use of tangible or intangible property, including intellectual property, such as trademarks and copyrights, obtained or created in connection with the Project will be used only for educational and noncommercial use. Furthermore, Committee agrees to fulfill in-good-faith, all data requests necessary for reporting to funders as a condition of sponsorship - but that Trailhead's use of all data or other IP is limited to/for reporting to funders, and no other rights or interests accrue.
